WHS/WIA Class of 2020 Graduation Plan

The 2020 WHS/WIA Commencement Ceremonies will have several special points along the drive through the Watauga High School campus.

Please be sure to come down the driveway and take a left at the baseball field. Follow all directional signs and traffic control. You will be routed around the main parking lot with several stops. The first stop will be at the baseball/softball press press box where you will receive a name sign for the senior car and a pair of gloves for the senior.

Then you will be stopped below the tennis courts in preparation for the senior to exit the car for their walk across the stage. Each senior’s graduation caravan will be asked to park at a specific point.

The senior will walk across the stage and receive their diploma cover from WHS/WIA personnel. There will be a photographer who will take two shots of each senior, as well as a videographer.

The senior will step off of the stage and be directed to pick up their diploma tote bag and re-enter their vehicles. The senior’s graduation caravan will then exit campus.
