

Dear Parents,

Thank you for a great year. We wanted to inform you that as of April 15th we will open registration for our licensed summer camps which will be at Green Valley and Mabel Elementary schools this year. The camps will operate from 7:30 a.m. to 6:00 p.m. and will be run by our super fun and reliable staff that normally operate the after-school programs during the school year.

Breakfast and Lunch will be served at no charge through the cafeteria staff at these schools. An afternoon snack will also be provided through the summer camp program at no charge.

This camp will be offered to Watauga County Schools students that attended kindergarten through 5th grade this year. The program will be offered free through the grants that have paid for the after-school programs on a first come first served basis.

To register, go to our after-school webpage on April 15th from the link below. The registration link provided on this page will not open before April 15.
